August 14, 2025

Per our conversation I have attached a completed petition signed by the residents of RS CR 1322 in Emory, Tx, regarding the permission to widen and resurface RSCR 1322. This road has become so hazardous as is, because of the high traffic, residents, buses, postal, UPS, Fedex etc. Two vehicles cannot pass, one must move over into the ditch and allow the other to pass before it can proceed down the road. As stated in the petition this can be especially dangerous in bad weather and icy roads.

Please contact me when you will be meeting regarding this matter as several of the residents expressed interest in attending.

Sincerely

A handwritten signature in cursive script that reads "Karen Eaton".

PETITION

RAINS COUNTY ROAD AND BRIDGE

We, the residents of Rains County Road 1322 give Rains County Road and Bridge permission to widen RS County Road 1322 in Emory Texas to 20' overlay which is currently at 12'. This has been an ongoing issue as two cars are unable to pass without one car voluntarily going off road and/or into the ditch in order for the other vehicle to pass,. This is very dangerous on dry normal days but especially in wet or icy weather.
