### **SBA Amends Disaster Declaration for Texas Disaster Assistance Now Available to Private Nonprofit Organizations in 11 Additional Counties**

**SACRAMENTO, Calif.** – Low-interest federal disaster loans are now available to certain private nonprofit organizations in Blanco, Cass, Cherokee, Dallas, Gonzales, Hopkins, McCulloch, Morris, Rains, Sabine and Titus counties following the amendment to President Biden’s May 23 major disaster declaration for Public Assistance as a result of severe storms, straight-line winds, tornadoes and flooding that occurred April 26 – June 5, announced Administrator Isabella Casillas Guzman of the U.S. Small Business Administration. Private nonprofits that provide essential services of a governmental nature are eligible for assistance.

These low-interest federal disaster loans are available in Anderson, Austin, Baylor, Bell, Blanco, Bosque, Brown, Caldwell, Calhoun, Cass, Cherokee, Clay, Cochran, Coke, Coleman, Concho, Cooke, Coryell, Dallas, Delta, Eastland, Falls, Fannin, Freestone, Gonzales, Grimes, Hamilton, Hardin, Harris, Henderson, Hockley, Hopkins, Houston, Jasper, Kaufman, Lamar, Lampasas, Lee, Leon, Liberty, Limestone, Lynn, Madison, McCulloch, Milam, Mills, Montgomery, Morris, Newton, Panola, Polk, Rains, Robertson, Rockwall, Rusk, Sabine, San Augustine, San Jacinto, San Saba, Shelby, Sterling, Terrell, Titus, Trinity, Tyler, Van Zandt, Walker, Waller and Washington counties in Texas.

“Private nonprofit organizations should contact the Texas Division of Emergency Management Recovery Division by emailing [TDEMPARecovery@tdem.texas.gov](mailto:TDEMPARecovery@tdem.texas.gov) to obtain information about applicant briefings,” said [Francisco Sánchez Jr.](#), associate administrator for the Office of Disaster Recovery and Resilience at the Small Business Administration. “At the briefings, private nonprofit representatives will need to provide information about their organization,” continued Sánchez. The Federal Emergency Management Agency will use that information to determine if the private nonprofit provides an “essential governmental service” and is a “critical facility” as defined by law. FEMA may provide the private nonprofit with a Public Assistance grant for their eligible costs. SBA encourages all private nonprofit organizations to apply with SBA for disaster loan assistance.

SBA may lend private nonprofits up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. SBA can also lend additional funds to help with the cost of improvements to protect, prevent or minimize disaster damage from occurring in the future.

For certain private nonprofit organizations of any size, SBA also offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loans may be used to pay fixed debts, payroll, accounts payable and other bills that cannot be paid because of the

disaster's impact. Economic injury assistance is available regardless of whether the private nonprofit suffered any property damage.

The interest rate is 3.25 percent with terms up to 30 years. The deadline to apply for property damage is July 22, 2024. The deadline to apply for economic injury is Feb. 24, 2025.

Interest does not begin to accrue until 12 months from the date of the first disaster loan disbursement. SBA disaster loan repayment begins 12 months from the date of the first disbursement.
