A thorough background investigation is required to properly evaluate the suitability of applicants for employment with the agency. Although it is an achievement to reach the background phase of the hiring process, this is still a competitive process and does not, in any way, guaranty selection.

These instructions are provided as a guide to assist you in properly completing your Personal History Statement. • essential that the information is accurate in all respects so please read all instructions carefully before proceeding. The Personal History Statement will be used as a basis for a background investigation that will determine your eligibility for becoming an employee.

- 7. You are responsible for furnishing any changes and/or updating your application as needed, such as address changes or telephone changes in writing.
- 8. Any candidate submitting an incomplete application <u>WILL NOT BE CONSIDERED FOR EMPLOYMENT.</u> Your application will be evaluated on completeness and neatness.

DISQUALIFICATIONS

There are very few <u>automatic</u> bases for rejection. Even issues of prior misconduct, employee terminations, and arrests are usually not, in and of themselves, automatically disqualifying. However, deliberate misstatements or omissions can and often will result in your application being rejected, regardless of the nature or reason for the misstatements/omissions. In fact, the number one reason individuals "fail" background investigations is because they deliberately withhold or misrepresent job-relevant information from their prospective employer.

This personal history statement is a governmental document. Be truthful, as there are criminal consequences for lying on a governmental document.

Once you begin:

- Type or neatly print, in ink, responses to all items and questions. If a question does not apply to you, write "N/A" (not applicable) in the space provided for your response. If you cannot obtain or remember certain information, indicate so in your response.
- If you need additional space for your answers, attach additional sheets as needed. Be sure to indicate what question number and page this refers to

Be as complete, honest and specific as possible in your responses.

Disclosure of Medically Related Information

h accordance with the U.S. Americans with Disabilities Act, at this stage of the hiring process applicants are not expected or required to reveal any medical or other disability-related information about themselves in response to questions on this form, or to any other inquiry made prior to receiving a conditional offer of employment.
